DEACON'S MEETING

Chimes report from Deacons

May 2011

Looking back, the deacons viewed the Easter week as going quite well. This is often seen as one of the busiest weeks, and, of course, one of the most important to Christians around the world. It is a time when church attendance swells and many travel to other places to share the season with family. And, weren't the Easter "He has risen" balloons a great addition to the Treynor landscape? Thanks to the early risers.

There is still much to do before vacation time. At this writing, baccalaureate, high school graduation, church council meeting, memorial Sunday and confirmation are all in the offing. Next month there's Vacation Bible School and the exciting Sunday service at the end. Add in the new movie schedule and a pot luck dinner and there is much to do and much work to be done.

Fortunately Zion will have only a short period of relaxation before moving into the next cycle. Relaxing can be fun at the Drive-in Movie. The selection committee has picked a mix of movies to cater to all age groups including western night with John (Duke) Wayne, singing along with the High School Musical and 80's night when you can park in your 30's something auto.

The committee people continue to work the business plan with surfacing new member prospects, the new "Family of the Month"

articles in the Chimes and consideration of new ways to improve church finances. A good start in this last area has been the success in giving for the new parsonage windows. These are a much needed maintenance item that should pay some returns in energy use.

We continue Growing and Going.

TRUSTEE'S MEETING

The Trustees met on May 1, 2011.

Pastor Adam opened the meeting with a prayer. Treasurer Norm Collins presented his financial report and advised that the J-Force checking account had been opened.

Issues with the Church roof were discussed. The loose flashing near the northwest corner of the sanctuary roof has be refastened and calked. Triple-C Roofing has been contacted about making a spot repair of the roof over the church overflow area. The rolled roofing has been secured to repair the south end of the sanctuary roof and Mike or Blade will coordinate with Wendell Hotze to use the high reach bucket truck to make the repair.

The status of the parsonage window replacement project was discussed. Donations received are nearing the amount needed to pay for the project. Discussion was also held about

Respectfully submitted

DORCAS AID

The Dorcas Aid enjoyed our "Pot Luck" Luncheon on June 9th. There were 12 members along with Pastor Adam, Missy Rylie, Addyson, Doris and Cadence as our guests present for the bountiful meal.

Mardene led our devotions. We sang "Amazing Grace". She said God gives us second chances with His grace. We sometimes need a "do over" with a second chance. God gave Jonah a second chance. She closed with a prayer.

Pastor Adam led our Bible Study about "Restless Souls" stating "The Spirit of God wets our appetite by giving us a taste of what's ahead. He puts a little of Heaven in our hearts so that we'll never settle for less". 2 Corinthians 5:3-5.

Our President, Audrey, read the thought and the scripture for the day. Roll call was answered by a verse from Mark, and also, giving our Mother's maiden name and date of birth since some of us were not there last month to hear about this.

The secretary's and treasurer's reports were read and approved. We had "Thank You" notes from Jackie, Gail and Arlue for the Cookies, and one from the "Prom Committee" for our donation to help them.

Virginia made a motion to donate money for The Loop. Pastor Adam explained about the Loop, and thought there was enough, but would let us know if more money was needed.

Remember that the Bloodmobile will be Thursday, June 16th with the Dorcas Aid serving the lunch. Also, remember the Ice Cream Social in July.

Lavon will help Charlene as hostess next month since Elaine will be traveling.

Ruth and Elaine had our nickels and dimes.

Before we ate our bountiful luncheon we had the honor of having three special guests leading our singing "Happy Birthday" to our June birthday ladies. They were Rylie, Addyson and Cadence and they did Great! Our tables were decorated in the Birthday theme, including balloons and ice cream cake.

Secretary, Carolyn
